

General Session

101 Cartography/Map Study	141 Fishing Geography
102 History of Map	142 Forestry Geography
103 Toponymy	143 Industrial Geography
104 General Physical Geography	144 Industrial Location
105 General Geomorphology	145 Regional Planning and Regional Development
106 Experimental Geomorphology	146 Traditional Industries
107 Neotectonics	147 Resources Research
108 Climatic Geomorphology	148 Transportation Geography
109 Landform Development	149 Tourism Geography
110 Applied Geomorphology	150 Commercial Geography
111 Quaternary Research	151 Geography of Distribution
112 Glaciology	152 Population Geography
113 Climatology	153 Settlement Geography
114 Meteorology	154 Urban Geography
115 Hydrology	155 Urban Planning
116 Water Resources	156 Rural Geography
117 Biogeography	157 Political Geography
118 Vegetation Geography/Plant Ecology	158 Applied Geography
119 Geoecology/Landscape Ecology	159 Quantitative Geography
120 Soil Geography	160 Behavioral Geography
121 Volcanology	161 Geographic Information Systems
122 Geology	162 Geographic Information Science
123 Applied Geology	163 Social Geography
124 Oceanography	164 Cultural Geography
125 Limnology	165 Geography of Religions
126 Environmental Geography	166 Folk Geography
127 Nature Conservation	167 Ethnic Geography
128 Environmental Cognition and Perception	168 Feminist Geography
129 Remote Sensing	169 Medical Geography
130 Disaster Research	170 Historical Geography
131 Regional Geography/Chorology	171 Geoarchaeology/ Prehistoric Geography
132 Theory of Region	172 Methodology of Geography
133 Area Studies	173 History of Geography
134 Landscape/Cultural Climate	174 History of Geography Education
135 Cultural Ecology	175 Geography Education
136 Comparative Cultural Research	176 Social Study Education
137 General Human Geography	177 Environmental Education
138 Economic Geography	178 Philology and Geography
139 Agricultural Geography	179 Geographic Photo
140 Land Use
